

Every one of us has **SCARS** and every scar we have **TELLS A STORY.**

1. The scars we carry are a sign of EXPERIENCE. - John 20:24-29

2. Scars represent a HEALING that has taken place. - Isaiah 53:3-6

Scars are not a sign of **WEAKNESS** but of **SURVIVAL.**

The bigger the **WOUND** is in your life the bigger the scar will be. The bigger the scar the greater **AMOUNT OF HEALING** that took place in your life.

3. Scars bear WITNESS to others. - John 20:29

God can use our scars to tell a story **OF HIS LOVE.**

Conclusion: Are you willing to be Scarred For Life?
